

All around Europe and just around the corner.

KN EuroDirect

Overland Full & Part Loads

As an acknowledged pioneer of logistics solutions, with a proven track record of serving some of the world's largest and best-known companies, we deliver end-to-end services for all major industries. KN EuroDirect provides regular transportation of full and part truck loads (FTL and LTL) across Europe, to give you comprehensive supply chain coverage.

With our long-term partnerships with preferred subcontractors, we give you maximum capacity and flexibility for all your logistics needs. All our contractors are regularly audited to maintain the highest standards of quality and integrity.

By collecting and delivering directly with one vehicle, we can provide more security and extremely attractive lead times due to less handling. Our team of experienced logistics specialists is fully focused on delivering the highest performance standards – ensuring that your shipments reach their destination safely, on time and in perfect condition.

KN EuroDirect

The solution you need if you're looking for a high-quality, domestic and international service with reliable pick-ups and lead times for full and part load shipments (FTL and LTL).

KN EURODIRECT OFFERS A COMPREHENSIVE RANGE OF LOGISTICS AND TRANSPORT SERVICES INCLUDING

- Flexible, door-to-door delivery throughout Europe
- Reliable lead times from pick-up to delivery, based on specific requirements (one and two driver concept)
- Delivery of LTL shipments in requested sequence
- Transportation of dangerous goods in line with ADR/IMO regulations
- Shipment visibility via best-in-class track and trace system (KN Login) across all transport modes
- Increased transparency and easy document upload via EDI/Kühne + Nagel online booking system
- Road transport liability in accordance with CMR Convention

KN EuroDirect is the FTL and LTL logistics provider for your domestic or cross-border shipments. Together with our team of experts, it makes the difference you can really trust.

Customer service is the lifeblood of Kühne + Nagel's business. Dedication to each individual customer, combined with the specific knowledge and expertise offered by our employees, is fundamental to our success. You can depend on their proven reliable logistics and transportation solutions – tailored to the requirements of different business sectors – to be your open gateway to markets throughout Europe.

VALUE-ADDED SERVICES

To enable you to respond quickly, flexibly and individually to the precise needs of your supply chain, our end-to-end logistics packages can provide extra value by including the following services on request:

- Pre-advice service so the consignee can schedule availability for delivery
- Delivery on a fixed day and at a specific time
- Double-manned (two driver concept) to reduce lead times
- Real-time status with trailer telematics
- Customs clearance
- Additional insurance with KN Sure
- Customer-specific performance reporting via KN Login

HIGHEST COMMITMENT – PROVEN PERFORMANCE

Give your valuable shipments the dependable treatment they deserve by placing them in the hands of an acknowledged global leader. We will more than fulfil your expectations of professional expertise and service quality.

- Stated lead time in days achieved above 98 %
- Information on delivery (IOD) achieved above 95 % by 12:00 on day after delivery (Mon – Fri)
- Electronic proof of delivery as hard copy - ePOD – on request

VISIBILITY AND MONITORING WITH KN LOGIN

KN Login, our industry-leading logistics information tool, enables you to track and trace your shipments around the world and around the clock. This web-based system lets you manage your supply chain more effectively by providing exactly the information you need, the way you want to see it.

- Pickup and delivery shipment status
- Customised reports (optional)
- Electronic copies of critical shipment documentation
- Real-time shipment status (optional)
